# Pastor Nilo Reyes

Pastor Nilo Reyes and his wife have shepherded Apostolos y Profetas for ten years. They believe that whether it is our jobs, our relationships, or even passing trends, we all find our identities in something. Those identities define us, shape our perspectives and guide our actions. The pose the question, what defines you?

At Apostolos y Profetas, we find our identities in God, the one who made us. In a world that changes every day, He is the only constant. We believe our lives go best when God's truth becomes the guide, challenging society's ideals and directing us toward a redefined life full of purpose.

No matter who you are, where you've been or what you think about church, our arms are open and our doors are wide. Come rethink church with us.
