

Holiday Greetings from both of us!
This project seemed pretty hard at first but after doing the first couple of ones it became pretty easy. This class can be hard if you dont do the work but after that it is pretty fun I'm really excited to get to learn how to do this. Yas queen!

Version 1.

Holiday Greetings from both of us!

Merry Christmas and Happy New Year! This time of the year I hear the people sing and all the Christmas cheer I do a fun little thing.

Version 2.

Holiday Greetings from both of us!

That girl is stupid looking just like her dog. That sweataer is so last season. What is even going on. Also another class is coming in and I feel rushed. Omg what even i s life at this time.

Version 3.

Holiday Greetings from both of us!

What a fun time to be a kid. What a fun time to go to madrid. What a fun life. What a fun lovley day. I want to go and play I want

to live all day. I want to play and stay. And do what things can pay oh what a lovley da.
